Sunday, 23 May

Travel Home

Items of Interest:

Breakfast is free for motel guests. At least one 50-50 every day.

For anyone not involved in the meetings on Friday at about 0900 there will be a trip to Lava Hot Springs for a soak at one of the best hot springs in Idaho, lunch can be had in one of cafes in Lava and return to Pocatello in the afternoon.

The Museum of Clean will be available during any free time and despite the name it is Very Interesting and well worth a visit.

Shopping in Old Town is available with a lot of antiques, jewelry, locally made craft items and other neat stuff.

The Casino at Fort Hall is outstanding for after meetings. They also have great Bison Burgers and other good dinner items.

The Hospitality room is by the pool and the bar will be open in the Motel. Great place to exchange stories, (all true of course but maybe with some slight embellishments to assist with clarity and understanding).

If you like to hike or just take cool walks the City Creek Trail System is a good workout and we have miles of less intimidating walking paths.
